GVB official response to questions posed by 5:00 p.m. on August 29, 2018:

1. Normally, LIQUIDATED DAMAGES are set at 1% or a daily rate but this IFB indicates the rate is 15% for work that is performed late. That verbiage does not allow us to properly prepare a bid bond. Can you please clarify?

GVB RESPONSE: Please review page 7, paragraph 8 Bid Guarantee and page 8, paragraph 12, Bid Security in the IFB. You will find that those sections discuss the Bid Bond requirement.

As concerns the Liquidated Damages clause you note, you correctly point out that liquidated damages for late work shall be fixed at the sum of 15% of the work item dollar amount which was performed late.

2. We are requesting information pertaining to previous bidder's abstract, bid award, and if any, contractual services awarded recently related to the Island Road Maintenance contract in order to provide the best price structure and achieve the most reasonable cost for industry standards.

GVB RESPONSE: Island Road Maintenance contractor is GET LLC. The Notice of Award and Contract is attached along with the bid abstracts.
