REPRESENTATION SERVICES OVERVIEW

Tourism represents over 50% of Guam’s economy. The importance of the industry to Guam’s island economy cannot be overstated and is driven by GVB’s Tourism 2020 strategic plan that primarily seeks to transform Guam into a world class, first-tier resort destination of choice for business and leisure visitors. GVB is the organization responsible for marketing Guam to the world as a premier tourist destination. To achieve maximum yield for the tourism industry from limited resources, GVB’s marketing activity is carefully focused on a number of key markets and a select group of consumers within those key markets. These include Japan, Korea, Taiwan, Hong Kong, Philippines, North America and Russia.

Annual strategic objectives or smart goals are derived by each of GVB’s source markets and are achieved through programs, campaigns and cooperative ventures all driven by strong and aggressive sales and public relations efforts. It is the responsibility of each marketing representation office to carry out and reach its annual goals and who are held accountable in its performance to meet all deliverables.

The Hong Kong market remains very competitive, as Hong Kong travelers have become wiser and more traveled. In addition, today's tourism realm has evolved more to social media with the use of smart tourism technology that now plays a significant role on how travel decisions are made.

With these challenges, GVB seeks to retain representation services from a company or agency with a diversified and proven background in sales and marketing and public relations that demonstrates today's tourism business climate with the use of smart tourism practices. The company must also be established in the travel trade, most especially with travel agencies, travel media and the airlines and who critically understands the trade. - Develop, increase and retain airlift capacity for sustainable air assets for both direct regularly scheduled and charter services in Hong Kong.

The registrar of proposals shall be opened to public inspection only after award of the contract. Proposals and modifications shall be shown only to GVB procurement personnel having an interest in them.

3.8 Evaluations and Discussions

- A. Evaluation: GVB will evaluate all proposals submitted and may conduct discussions with any Offeror. The purpose of such discussions shall be to:
 - 1. Determine in greater detail such Offeror's qualifications; and
 - 2. Explore with the Offeror the scope and nature of the required services, the Offeror's proposed method of performance, and the relative utility of alternative methods of approach.
- B. Non-Disclosure of Information: Discussions shall not disclose any information derived from proposals submitted by other Offerors, and GVB shall not disclose any information contained in any proposals until after award of the proposed contract has been made. The proposal of the Offeror awarded the contract shall be opened to public inspection except as otherwise provided for in the contract. The proposals of the Offerors who are not awarded the contract shall not be opened to public inspection.
- C. Selection of the Best Qualified Offeror: Upon completion of the validation of qualifications, evaluations, and discussions, GVB shall select, in the order of their respective qualification ranking, no fewer than three (3) acceptable Offerors, or such lesser number if less than three (3) acceptable proposals were received, deemed to

be the best qualified to provide the required services.

- D. Submission of Cost or Pricing Data: The Offeror determined to be the best qualified shall be required to submit cost or pricing data to GVB at a time specified by GVB prior to the commencement of negotiations.

3.9 Negotiation and Award of Contract

- A. General: GVB shall negotiate a contract with the best-qualified Offeror for the required services at a compensation determined in writing to be fair and reasonable.
- B. Elements of Negotiation: Contract negotiations shall be directed toward:
1. Making certain that the Offeror has a clear understanding of the scope of work, specifically, the essential requirements involved in providing the required services.
 2. Determining that the Offeror will make available the necessary personnel and facilities to perform the services within the required time.
 3. Agreeing upon compensation, which is fair and reasonable, taking into account the estimated value of the required services, and the scope, complexity, and nature of such services.

3.10 Successful Negotiation of Contract With Best-Qualified Offeror

If compensation, contract requirements, and contract documents can be agreed upon with the best-qualified Offeror, and subject to Board approval, the contract shall be awarded to that Offeror. Written notice of award shall be public information and made a part of GVB's procurement file.

3.11 Failure to Negotiate Contract With Best-Qualified Offeror

- A. If compensation, contract requirements, or contract documents cannot be agreed upon with the best qualified Offeror, a written record stating the reasons therefore shall be placed in the procurement file and GVB shall advise such Offeror of the termination of negotiations which shall be confirmed by GVB's written notice to such Offeror.
- B. Upon failure to negotiate a contract with the best-qualified Offeror, GVB may enter into negotiations with the next most qualified Offeror. If compensation, contract requirements, and contract documents can be agreed upon, then the contract shall be awarded to that Offeror. If negotiations again fail, negotiations shall be terminated as set forth in paragraph 3.11(A) above and new negotiations shall commence with the next qualified Offeror.
- C. Should GVB be unable to negotiate a contract with any of the Offerors initially selected

as the best qualified Offerors, offers may be resolicited, or additional Offerors may be selected based on original, acceptable submissions in the order of their respective qualification ranking and negotiations may continue until an agreement is reached and the contract is awarded.

3.12 Cancellation of Solicitation; Delays

GVB reserves the right to cancel or to withdraw this RFP as provided in law and regulation, to delay any GVB determination required by the RFP, or to reject all proposals, or any individual Proposal in whole or in part at any time prior to the final award in the best interest of GVB as provided in law and regulation. The reasons for the cancellation, delay, or rejection shall be made a part of the procurement file and shall be available for public inspection.

- A. After opening of the proposals, but prior to award, all proposals or any individual proposal in whole or in part, may be rejected when GVB determines in writing that such action is in the territory of Guam's best interest for reasons including but not limited to:
1. The supplies or services being procured by this solicitation are no longer needed.
 2. Ambiguous or otherwise inadequate specifications were part of the solicitation.
 3. The solicitation did not provide consideration of all factors of significance to the territory.
 4. The proposals only offer prices, which exceed available funds, and it would not be appropriate to adjust quantities to come within available funds.
 5. All otherwise acceptable proposals received contain unreasonable prices.
 6. There is reason to believe that the proposals may not have been arrived at in open competition, and/or that there was collusion between Offerors and/or the proposals were not submitted in good faith.

If this RFP is cancelled or all the proposals have been rejected prior to final award, notice of cancellation or rejection shall be sent to all Offerors. The reasons for the cancellation or rejection shall be made a part of the procurement file and shall be available for public inspection.

- B. GVB may reject any individual proposal in whole or in part when such rejection is in the best interest of the territory. Reasons for rejecting a proposal in whole or in part include but are not limited to:
1. GVB has determined that the Offeror is not a responsible Offeror pursuant to 2 GAR, Div. 4, Chap. 3, §3116.

2. The proposal is non-responsive, that is, it does not conform in all material respects to the RFP.
3. The offered supply or service in the proposal is unacceptable by reason of its failure to meet the requirements of the specifications or permissible alternatives or other acceptable criteria set forth in the RFP.

3.13 Disqualification of Proponent

More than one proposal from an individual, firm, partnership, corporation, or association under the same or different names will not be considered. Reasonable grounds for believing that an Offeror has an interest in more than one (1) proposal for the same work will cause the rejection of all proposals in which such Offeror is believed to have an interest. Any or all proposals will be rejected if there is reason to believe that collusion exists among the Offerors and no participants of such collusion will be considered in future request for proposals for the same work. Proposals in which the prices obviously are unbalanced will be rejected. Proposals submitted by Offerors who do not meet the evaluation criteria will not be considered for review by GVB.

3.14 Right to Reject Proposal

GVB reserves the right to reject any or all Proposals in accordance with law and regulation, and to waive technical errors, or minor informalities, or to accept any proposals in part.

3.15 Award of Contract

The award of contract, if it is awarded, will be awarded to the best qualified Offeror for the required services at a compensation determined in writing to be fair and reasonable, and subject to the approval of the Board. In no case will the award be made until GVB has completed all necessary investigations into the responsibility of the proposed Offeror, and GVB is satisfied that the proposed Offeror is qualified to do the work and has the necessary organization, capital, and equipment to carry out the provisions of the contract to GVB's satisfaction within the time specified.

3.16 Execution of Contract

The Offeror which is determined to be the best qualified, or the next best qualified Offeror should GVB cease contract negotiations with better qualified Offerors, shall sign the necessary agreement entering into a contract with GVB, and return a fully executed contract, containing the terms mutually agreed upon by the parties, to GVB within **seven (7) calendar days** after GVB determines in writing that the Offeror's requested compensation, for the required services, is fair and reasonable.

3.17 Addenda

Notice may also be obtained by accessing GVB's web site. The Offerors shall acknowledge receipt of the same by their signatures on one copy, which is to be returned to GVB, and said copy shall accompany the Offerors respective proposals. Acknowledgment may also be made in writing or by email.
