GVB RFP 2020-003 TOURISM DESTINATION MARKETING REPRESENTATION SERVICES IN RUSSIA

This serves as official notice that pursuant to the regulations in 2GAR Division 4, §3115, the procurement for GVB RFP 2020-003 Tourism Destination Marketing Representation Services in Russia is cancelled.

The Guam Visitors Bureau issued GVB RFP 2020-003 Tourism Destination Marketing Representation Services in Russia on November 12, 2019. Submission deadline was on December 4, 2019.

The coronavirus threat has elevated to a global crisis, which will, and continues to, affect our industry and our economy. Major efforts are ongoing to ensure the safety and protection of our island and our people. The focus at this time is on preventative measures for public safety. In line with our government-wide austerity plan, GVB has had to drastically curtail proposed expenditures, promotions and events.

Therefore, in my capacity as Chief Procurement Officer for GVB, I have determined that it is in the best interest of the territory of Guam to reject all proposals and cancel this solicitation until such time that the economy has improved and we are able to re-issue this solicitation as provided for in 2GAR Div. 4 §3115(d)(1)(d).

I have caused this determination to be placed in the procurement file for the record.
