# Guam's

## 1<sup>st</sup> Cultural “Smart Park”

- A major theme park that articulates Guam's cultural identity, strengthens the island's brand equity, and encourages a unique destination experience for residents and visitors to enjoy
- Fresh new iconic attraction that can impact sales and market share in Japan, Korea, and Taiwan
- The Chamorro culture and heritage will be the core overarching theme of the zone's architectural design, function, and experiential opportunities
- Digital elements will be educational, multi-lingual, and multi-generational in appeal for both active and passive leisure activity aimed at telling cultural stories, traditions and values.

An aerial photograph of a calm river flowing through a dense tropical forest. Two people are seen from behind, paddling outrigger canoes down the river. The forest is composed of tall palm trees and thick green foliage. The water is dark and reflects the surrounding trees. The sky is overcast and grey.
