

## TOURIST IN MY VILLAGE

Instructions: Create a storyboard of how you would spend one day as a tourist in your own village. Highlight food spots, cultural sites, and activities that make your village special to you.

Materials:
Writing instrument

Time Needed for Activity: **30 mins - 1 hour** 

| Hafaalai from the village of: |                 |                 |
|-------------------------------|-----------------|-----------------|
|                               |                 |                 |
|                               |                 |                 |
| BREAKFAST                     | ACTIVITY / SITE | LUNCH           |
|                               |                 |                 |
|                               |                 |                 |
|                               |                 |                 |
|                               |                 |                 |
| ACTIVITY / SITE               | DINNER          | ACTIVITY / SITE |
|                               |                 |                 |
|                               |                 |                 |
